Introduction

As partners with parents/carers in Catholic education and open to God's presence, *St. Patrick's Primary School* pursues fullness of life for all its students and the school community. Together in God's love, *St. Patrick's Primary School* will empower students to encounter the future with respect, courage and kindness, enriched by life-giving relationships and inspired to bring the Gospel to life.

The school ensures the care, safety, wellbeing, and protection of its students in keeping with the Catholic tradition, which honours the sacred dignity of each person.

At *St. Patrick's Primary School*, we hold the care, safety and wellbeing of children and young people as a central and fundamental responsibility of our school. ([CECV Commitment Statement to Child Safety](#)).

The person of each individual human being, in his or her material and spiritual needs, is at the heart of Christ's teaching: that is why the promotion of the human person is the goal of the Catholic school (Congregation for Catholic Education 1997, n. 9).

The *St. Patrick's Primary School's* Child Safety Policy reflects the school community's shared commitment and expectations in relation to child safety in our school. This Policy provides an overview of our child safety commitments, clear expectations, strategies and processes in place in our school to embed a culture where the safety of children is paramount.

This Policy provides an overview of how *St. Patrick's Primary School* will:

- promote child safety and protection of children from abuse
- comply with the requirements of Ministerial Order 870 – Child safe Standards – Managing the risk of child abuse in Victorian Schools;
- seek to mitigate and prevent the risk of abuse; and
- respond to any allegations of child abuse in our school community.

This Policy should be read in conjunction with all other Child Safety policies, which provide more detailed procedures and with the CECV Positive Behaviour Guidelines 2018.

School Profile

About St. Patrick's Primary School.

St Patrick's Primary School, Port Fairy is situated in a region richly steeped in Celtic traditions and heritage. The majority of the school community is composed of children from English speaking backgrounds, with a small number of families from French, African, Indonesian, Vietnamese and Chinese background. In 2021 there are four indigenous students and two students from an African background.

Approximately half of the school population lives on farms or in the surrounding rural districts of Yambuk, Orford, Toolong, Bessiebelle, Codrington, Killarney and Rosebrook, and travel to school by bus.

A range of socio-economic backgrounds are represented in the school community. Many school families have both parents working full-time or part-time, whether this be in the local townships or on surrounding farms, with earnings falling into the high, middle and low levels of income. Total student enrolment in 2021 is 200 students, from 135 families. Approximately 10% of enrolments qualify to receive the CSEF.

Port Fairy is a coastal town with a relatively stable permanent population. The main local industries include tourism, fishing, agriculture and pharmaceutical manufacture. As well, the town has become known for hosting an annual folk music festival of international significance, along with two other major cultural festivals. These festivals, as well as the tourism industry, attract year-round visitors to the town.

St. Patrick's Primary School is committed to providing equitable access and opportunity for all. The school considers that awareness of, recognition of, and responsiveness to the needs and rights of all individuals are essential to human dignity. Inclusive practices embrace and celebrate diversity, invite belonging and provide opportunities for participation and achievement of appropriate learning outcomes.

 - (i) a sexual offence
 - (ii) an offence under section 49B(2) of the Crimes Act 1958 (grooming)
- (b) the infliction, on a child, of:

Child safety encompasses matters related to protecting all children from child abuse, managing the risk of child abuse, providing support to a child at risk of child abuse, and responding to incidents or allegations of child abuse. ([Ministerial Order No. 870](#))

Child neglect includes a failure to provide the child with an adequate standard of nutrition, medical care, clothing, shelter or supervision to the extent that the health and physical development of the child is significantly impaired or placed at serious risk. [PROTECT: Identifying and responding to all forms of abuse in Victorian schools](#)

Child physical abuse: Generally, consists of any non-accidental infliction of physical violence on a child by any person. [PROTECT: Identifying and responding to all forms of abuse in Victorian schools](#)

Child sexual abuse is when a person uses power or authority over a child to involve them in sexual activity. It can include a wide range of sexual activity and does not always involve physical contact or force. [PROTECT: Identifying and responding to all forms of abuse in Victorian schools](#)

Emotional child abuse occurs when a child is repeatedly rejected, isolated or frightened by threats, or by witnessing family violence. [PROTECT: Identifying and responding to all forms of abuse in Victorian schools](#)

Grooming is when a person engages in predatory conduct to prepare a child for sexual activity at a later date. It can include communication and/or attempting to befriend or establish a relationship or other emotional connection with the child or their parent/carer. Everyone employed or volunteering at *St. Patrick's Primary School* has a responsibility to understand the important and specific role he/she plays individually and collectively to ensure that the wellbeing and safety of all students is at the forefront of all they do and every decision they make. The school principal has overall responsibility for monitoring compliance with the Child Safe Standards in the school.

Guide to Responsibilities of School Leadership

Diocese of Ballarat Catholic Education Limited (DOBCEL), the Principal and school leaders at *St. Patrick's Primary School* recognise their particular responsibility in relation to the Child Safe Standards. The Principal has overall responsibility to monitor compliance with the Child Safe Standards, to manage the response to allegations of child abuse and to ensure the development of policy and strategies to promote and embed a culture of openness, awareness of and shared responsibility for child safety. Responsibilities of the Principal include:

- creating an environment and culture for children and young people to be safe and to feel safe
- upholding high principles and standards for all staff, clergy, volunteers, and contractors
- promoting models of behaviour between adults and children and young people based on mutual respect and consideration
- ensuring thorough and rigorous practices are applied in the recruitment, screening, and ongoing professional learning of staff
- ensuring that school personnel have regular and appropriate learning to develop their knowledge of openness to and ability to address child safety matters

- ensuring processes are in place for concerns about Reportable Conduct to be raised and investigated if required.

Guide to Responsibilities of School Staff

Responsibilities of school staff (school employees, volunteers, contractors, and those in religious ministry) include:

- treating children and young people with dignity and respect, acting with propriety, providing a duty of care, and protecting children and young people in their care
- following the legislative and internal school processes in the course of their work, if they form a reasonable belief that a child or young person has been or is being abused or neglected
- undertaking regular training and education in order to understand their individual responsibilities in relation to child safety and the wellbeing of children and young people
- assisting children and young people to develop positive, responsible, and caring attitudes and behaviours which recognise the rights of all people to be safe and free from abuse following the school's Child Safety Code of Conduct.

Organisational Arrangements

The *Child Safe Officer* has a role description that is available in the staff and parent handbooks:

- The *Child Safe Officer* will participate in the diocesan child safety network.
- The *Wellbeing Team* works in identifying and mitigating risks in child safety.
- The *Leadership Team* is responsible for informing staff, students and the school community on policies, procedures and practices and identifying professional learning.

Having a child safety team does not remove or displace any other obligations that arise if a person reasonably believes that a child is at risk of child abuse. If you form a reasonable belief, you must act.

At *St. Patrick's Primary School*, the *Principal* leads the Child Safety Team. The Child Safety Team undertakes risk management assessment, develops strategies for the risk register and ensures that staff are informed of strategies to mitigate risks as well as policy, procedures, and practices to support child safety. All staff are responsible to consider risk management and child safety measures. Other members of Child Safety Team are listed in the *St. Patrick's Primary School PROTECT: Reporting and Responding Obligations Procedures for Schools* and in Section 5 of this policy.

An annual budget allocation is provided for regular training and professional learning in order to understand individual and collective responsibilities in relation to child safety and the wellbeing of children and young people. This would include opportunities to participate in training/learning for the wider school community.

St. Patrick's Primary School's website and newsletter will provide information to keep parents and carers informed of child safety commitments, procedures, and arrangements.

School policies for Child Safety

There are a number of considerations in reporting and responding to child safety. The following policies, including this Child Safety Policy, are to be understood and should be consulted if you are unsure of the action to undertake:

- DOBCEL Child Safe Governance Policy and Procedures
- DOBCEL Child Safe School Policy
- DOBCEL PROTECT: Reporting and Responding Obligations Policy
- *St. Patrick's Primary School PROTECT: Reporting and Responding Obligations Procedures for Schools*

Expectation of our School Staff – Child Safety Code of Conduct

As a child safe community, we expect school staff, volunteers, contractors and those in religious ministry to proactively ensure the safety of students at all times and to take appropriate action if there are concerns about the safety of any child at the school. All staff at *St. Patrick's Primary School* must remain familiar with the relevant laws, the codes of conduct for DOBCEL employees and for

professional organisations such as the Victorian Institute of Teaching (VIT) and policies and procedures in relation to child protection and to comply with all requirements.

The DOBCEL Safeguarding Children and Young People Code of Conduct recognises the critical role that school staff play in protecting the students in our care and establishes clear expectations of school employees, volunteers, contractors and clergy for appropriate behaviour with children in order to safeguard them against abuse and or neglect.

The child safety policies and procedures apply to allegations or disclosures of child abuse made by or in relation to a child, school staff, visitors or other persons while connected to a *St. Patrick's Primary School* environment.

The DOBCEL Safeguarding Children and Young People: Code of Conduct also protects school staff by clarifying and identifying of acceptable and unacceptable behaviour. The school will monitor the ongoing suitability of staff for child-related work.

CSS 4 – Screening and Recruitment of School Staff

St. Patrick's Primary School will apply thorough and rigorous screening processes in the recruitment of employees and volunteers involved in child-connected work. All teachers are required to have registration with the Victorian Institute of Teaching (VIT). Our commitment to child safety and our screening requirements are included in all advertisements for such employee, contractor and volunteer positions, and all applicants are provided with copies of DOBCEL Safeguarding Children and Young People: Code of Conduct and all child safety policies and procedures prior to commencement of employment.

Each job description for staff involved in child-connected work has a clear statement that sets out the requirements, duties and responsibilities regarding child protection for those in that role and the occupant's essential qualifications, experience and attributes in relation to child protection.

When recruiting and selecting employees, contractors and volunteers involved in child-connected work, we make all reasonable efforts to:

- confirm the applicant's VIT, Working with Children Check and National Police Check status and/or professional registration (as relevant)
- obtain proof of personal identity and any professional or other qualifications relevant to the position
- verify the applicant's history of work involving children
- obtain references that address the applicant's suitability for the job and working with

children.

Once employed, staff are taken through an induction process that further reiterates the person's duties and responsibilities regarding child safety and child protection. All staff and volunteers are required to read and sign the DOBCEL Safeguarding Children and Young People: Code of Conduct prior to commencing work. All new staff and volunteers are supervised regularly to ensure their behaviour towards children is appropriate and to monitor their compliance with the school's child safe policies.

We have processes for monitoring and assessing the continuing suitability of school staff to work with children, including regular reviews of the status of Working with Children Checks and staff professional registration requirements such as Victorian Institute of Teaching (VIT) registration. The ongoing suitability of staff for child-connected work is monitored and assessed as a part of the Annual Review Meeting process.

Child Safety – Education and Training for School Staff

St. Patrick's Primary School provides employees, volunteers and those in religious ministry with regular and appropriate opportunities to develop their knowledge of openness to and ability to address child safety matters. This includes induction, ongoing training, and professional learning to ensure that everyone understands their professional and legal obligations and responsibilities, and the procedures for reporting suspicion of child abuse and neglect. All mandatory reporters are required to complete the online modules, *Protecting Children – Mandatory reporting and other obligations online modules* <https://www.vit.vic.edu.au/news/news/2018/protecting-children-mandatory-reporting-elearning-modules>

CSS 5 – Reporting and Responding

St. Patrick's Primary School uses the DOBCEL Child Safeguarding Reporting Obligations Policy and Procedures.

St. Patrick's Primary School complies with legal obligations that relate to managing the risk of child abuse under the *Children, Youth and Families Act 2005* (Vic.), the *Crimes Act 1958* (Vic.) and the recommendations of the [*Betrayal of Trust*](#) report.

Any child safety complaints, disclosures, or breaches of the DOBCEL Safeguarding Children and Young People: Code of Conduct are documented and stored in accordance with security and privacy requirements.

Child protection reporting obligations fall under separate pieces of legislation with differing reporting requirements. The different policies at *St. Patrick's Primary School* set out the responsibilities and procedures that apply.

The DOBCEL PROTECT: Reporting and Responding Obligations Policy, sets out the actions required under the relevant legislation when there is a reasonable belief that a child at our school is in need of protection or a criminal offence has been committed, and provides guidance and procedures on how to make a report. It is a requirement that DOBCEL Schools implement the joint protocol [*Four Critical*](#)

Actions for Schools: Responding to Incidents, Disclosures and Suspicions of Child Abuse for responding to and reporting allegations of child abuse.

St. Patrick's Primary School adopts and implement the Four Critical Actions for responding to and reporting allegations of child abuse.

The Four Critical Actions for Schools: Responding to Incidents, Disclosures and Suspicions of Child Abuse are:

1. Responding to an Emergency
2. Reporting to Authorities
3. Contacting Parents/Carers
4. Providing Ongoing Support

The *St. Patrick's Primary School* PROTECT: Reporting and Responding Obligations Procedures for Schools details the procedures for staff, volunteers, and families to:

- identify the indicators of a child or young person who may be in need of protection
- understand how a 'reasonable belief' is formed
- make a report of a child or young person who may be in need of protection
- comply with mandatory reporting obligations under child protection law and their legal obligations relating to criminal child abuse and grooming under criminal law.

Staff are to use the template provided in [Protect: Responding to Suspected Child Abuse: A Template for all Victorian Schools](#) to record their notes.

The internal procedures for mandatory reporting are contained in the *St. Patrick's Primary School PROTECT: Reporting and Responding Obligations Procedures for Schools*

At *St. Patrick's Primary School*, if any member of our school community has concerns for a child's safety they need to discuss, they can report this to the school principal or the Child Safety Officer.

If the principal or Child Safety Officer are not available, and the matter is urgent, then it should be reported to a staff member (All staff members are obliged to assist with child safety).

The principal, Child Safety Officer, or staff member will follow the step-by-step guide to making a report as outlined in [PROTECT: Identifying and responding to all forms of abuse in Victorian schools.](#)

Persons Responsible for Responding to Allegations of Suspected Child Abuse

Schools are to adhere to the DOBCEL PROTECT: Reporting and Responding Obligations Policy and St. Patrick's Primary School's PROTECT: Reporting and Responding Obligations Procedures for Schools to develop the school's procedures.

These policy and procedures cover all forms of child abuse as defined in the *Education Training and Reform Act 2006 (Vic)*.

The following persons and positions of responsibility are obliged to manage promptly the school's response to an allegation or disclosure of child abuse made by or in relation to a child, school staff, visitors, of other persons while connected to the *St. Patrick's Primary School* environment.

Person(s)	Position of Responsibility	Responsibility
Olga Lyons Peter Sanderson	Principal Child Safety Officer	Manage promptly the school's response to an allegation or disclosure of child abuse and ensure that the allegation or disclosure is taken seriously.
Child Safety Officer Janine Moloney	Child Safety Officer School Compliance Officer	Monitor overall school compliance with this procedure

The roles and responsibilities contained in the DOBCEL PROTECT: Reporting and Responding Obligations Policy and *St. Patrick's Primary School PROTECT: Reporting and Responding Obligations Procedures for Schools* do not displace or discharge any other obligations that arise if a person reasonably believes that a child is at risk of child abuse.

The school will make, secure, and retain records of any allegation of child abuse and the school's response.

The school commits to protect any child connected to alleged child abuse until the allegation is resolved.

Responding to Student Sexual Offending

There are Four Critical Actions for Schools: Responding to Student Sexual Offending which must be taken when responding to and reporting a child protection incident, disclosure or suspicion:

1. Responding to an Emergency
2. Reporting to Authorities/Referring to Services
3. Contacting Parents/Carers
4. Providing Ongoing Support

The St. Patrick's Primary School PROTECT: Reporting and Responding Obligations Procedures for Schools outlines the procedures that should be followed.

CSS 6 - Risk Management

St. Patrick's Primary School is committed to proactively identifying and assessing risks to student safety across our school environments and reducing or eliminating (where possible) all potential sources of harm. We document, implement, monitor, and periodically review our risk management strategies for child safety and ensure that the strategies change as needed and as new risks arise.

At *St. Patrick's Primary School*, the Child Safety Officer undertakes risk management assessment, develops strategies for the risk register and ensures that staff are informed of strategies to mitigate risks as well as policy, procedures and practices to support child safety. All staff are responsible to consider risk management and child safety measures.

See also *St. Patrick's Primary School* Child Safety Risk Assessment.

CSS 7 - Student Empowerment and Participation

Students at *St. Patrick's Primary School* are actively encouraged to openly express their views and feel comfortable about giving voice to the things that are important to them.

In our learning and teaching programs, students learn about what they can do if they feel unsafe and enable them to understand, identify, discuss, and report on child safety. We listen to and act on any concerns that students, or their parents or carers, raise with us. Students complete a Wellbeing &

Safety survey each year, which provides data for the Leadership team to identify areas of the school and situations that make them feel unsafe.

The curriculum design integrates appropriate knowledge and skills to enhance student's understanding of being safe and knowing how to report instances when they do not feel safe. Teaching and learning strategies that acknowledge and support student voice are implemented.

Publication and Communication

All *St. Patrick's Primary School* child safety policies and procedures are available on the school website or in print from the school administration office on request. Child friendly versions to explain protective behaviours, right relationships and personal safety are available. These policies will be explained to students through the personal and social learning curriculum using age appropriate language and activities. The age appropriate policies will also include information for children about how to report to someone if they are feeling unsafe or have been abused.

Teachers will work with students through the curriculum to understand the best ways to let someone - a responsible, trusted adult – know if they are feeling unsafe or have been abused.

Relevant Legislation

- *Children, Youth and Families Act 2005* (Vic.)
- *Working with Children Act 2005* (Vic.)
- *Education and Training Reform Act 2006* (Vic.)
- *Equal Opportunity Act 2010* (Vic.)
- *Privacy Act 1988* (Cth)
- *Crimes Act 1958* (Vic.)

Three new criminal offences have been introduced under this Act:

- a) **Failure to disclose offence**: Any adult who forms a reasonable belief that a sexual offence has been committed by an adult against a child

under 16 has an obligation to report that information to police. Failure to disclose the information to police is a criminal offence.

- b) **Failure to protect offence**: The offence will apply where there is a substantial risk that a child under the age of 16 under the care, supervision or authority of a relevant organisation will become a victim of a sexual offence committed by an adult associated with that organisation. A person in a position of authority in the organisation will commit the offence if they know of the risk of abuse and have the power or responsibility to reduce or remove the risk, but negligently fail to do so.

- c) **Grooming offence**: This offence targets predatory conduct designed

to facilitate later sexual activity with a child. Grooming can be conducted in person or online, for example via interaction through social media, web forums and emails.

Staff should refer to the DOBCEL PROTECT: Reporting and Responding Obligations Policy and *St. Patrick's Primary School PROTECT: Reporting and Responding Obligations Procedures for Schools* for more information about these offences and the responsibilities for staff in relation to them.
